Anybody wishing to try shooting a one-on-one match should come and join in. Instructions and officiating will be provided!

Former Junior World Team members will be present to pass on their collective knowledge to the newest AZ JWT members: Cadets Kiley Larrick and Nathan Yamaguchi.

## Schedule

**8:00 to 9:30** -- 6 or 12-arrow matches with Kiley and Nathan at 60 m Cadet distance  
(Younger JOADs can shoot 30 m)  
Sign-ups as individuals and 3-person teams

Matches will be assigned on a first-come, first-serve basis. Kiley/Nathan will take on all comers. Compound archers score inner ten-ring; recurvers use outer ten-ring. Scores and Kiley/Nathan's Win-Loss record will be posted. Ties will be broken using a one-arrow shoot-off. If there are a lot of people, matches will be shortened to 6-arrow matches. Gamesmanship and distractions are encouraged!

**9:45 to 11:00** -- Team rounds, 12 arrows

One person per match will be assigned to shoot with Kiley and Nathan to complete a 3 person team. Individuals may be matched up to comprise a 3-person team as appropriate.

**11:30** -- Lunch at Rosita's

Lunch is provided for former WT members by the Larrick's and Yamaguchi's. A forum comprised of former JWT members will answer questions and share their international experiences and words of wisdom. Submit questions to [larrick1983@qwest.net](mailto:larrick1983@qwest.net).
